## Comment text:

Dear Sir or Madam,

I understand that there is currently a review taking place in respect of the boundaries for the areas that Sunderland councillors represent.

I further understand that a proposal has been put forward by the Local Government Boundary Commission to place High Barnes together with the rest of Barnes in a new Barnes and Thornhill Ward, and I am writing to state my support of this proposal.

I believe this proposed new Ward would be right for the area as it reflects the style /type of housing within the location and also acknowledges the shared community spaces (such as Broadway Junior School, Barnes Park, etc).

Whilst there may be a counter- proposal, ie to merge the High Barnes area with the Pennywell area, I would be strongly against that proposal.

In particular, I have been a resident in the High Barnes area for almost 20 years and view this as a distinctly separate community to Pennywell.

I trust the Commission will give consideration to my views.

Yours faithfully,

[REDACTED]
