Comment text:

Hello my name is Councillor Russell Johnson Hugglescote St. Johns ward in North West Leicestershire
My ward has been getting bigger as of March Electoral register constituents was 2916
The Councils working party has totally ignored me in their process as not consulting individual councillors
However, i was asked what the new ward should be called and as a local resident as well as a councillor and Parish Chair to name it Hugglescote
Sence as next to a river of the same name
Residents living by this should be in the new ward however the council has not recognised there are new developments off Grange Road
Hugglescote past the old mineral line should be constituted here
they the council have taken from my ward Dennis Street, Old Church Close, St Johns Close as well as Grange Road
Hastings Manor Taylor Wimpey 105 homes
Cadeby 55 with additional 80 135 homes
Morris Homes 116 homes
Redrow 206 Homes
Bellway 166 homes
Davidsons at present 350 homes of the 800 that have permissions for

population from 1077 homes X 2 persons is 2154

I would ask that you consider my proposals

Kindest Regards Cllr. Russell Johnson
