Living in a small village on the boundary feel like we're ignored or an after thought. We have a DE12 postcode, pay council tax to NW Leicestershire and now expected to vote in the Hinckley area. It feels like services are missed being on a boundary, further away from services like police means we are very vulnerable as response times criminals know are poor so we become a crime target area. Vehicle crimes are a regular occurrence as even if thieves are caught which is rare, cases rarely are approved by the CpS, the criminals get more protection than victims. Please ensure service response is adequate equally for those who happen to be living on a boundary
