

# Thanet

## Personal Details:

**Name:** Mrs Kyla Lamb

**Email:** [REDACTED]

**Postcode:** [REDACTED]

**Organisation Name:** Minster Parish Council (Representative of parish/town council)

## Comment text:

**Related subject:** Thanet Villages Ward

Minster is part of the Thanet villages ward which has 3 ward Councillors and this covers 58% of Thanet. It is essential that 3 future District Councillors remain allocated to Thanet Villages Ward as they cover such a large area. The number of electorate is estimated to increase significantly according to the electoral data this demonstrates the need to retain at least 3 ward Councillors.

Having 3 ward councillors works well due to the size of the Thanet Village Ward size and this means that TDC can work with the parishes better. Having 3 councillors mean we can express our concerns better especially when we make up 58% of the total area of Thanet.

With regard to boundary changes it is important that the villages, with their unique characters, aren't lumped in with more built up town areas with which they have little in common.
