Agree with the number of councillors being reduced, no need for 56 which currently is the highest in the county excluding KCC.

The towns must keep their distinct boundaries I.e not merging St Peter's (Broadstairs) with Northwood (Ramsgate).

All wards should be represented by 2 councillors.

Kingsgate and Beacon Road wards should be merged to remove the single member ward currently in existence.

Due consideration must be given to the planned housing in what is now Thanet Villages and perhaps create an entirely new ward to account for this.
