Postcode: [REDACTED]

Organisation Name: Residents of Westwood Cross (Member of the public)

Comment text:

Related subject: Boundary Consultation

At present the area of Westwood is split into a number of wards due to this having historically been farmland. This is now the fastest developing residential area in Thanet and is becoming a town in its own right. Those living at Westwood, be it in the Ramsgate, Manston or Margate side of the boundary all have similar concerns and interests and therefore it seems sensible that the opportunity is taken to create a Westwood Ward. I have attached a map of where I and other residents feel that the boundary could sit. This would give Westwood residents the opportunity to have a Ward Councillor as well as have issues that relate to this area raised and dealt with in a more consistent manner.
