

# Thanet

## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

**Related subject:** District

I believe that sufficient local Councillors are required to represent their constituency. Viewing the variety of service's provided by Thanet District Council, the area covered, the diverse population & social spread quality representation is paramount.

My understanding that District Councillors are volunteers leads me question the necessity for any changes.
