**Related subject:** Bollinbrook Tytherington and Upton Priory

Previously Bollinbrook was part of the Upton Priory and Broken Cross Ward and during the last boundary changes was moved into the Tytherington Ward. As a resident in Bollinbrook area for over 50 years I feel that Tytherington has nothing to do with where I have lived. Our children have gone to Bollinbrook school and then progressed on to Fallibroome School not Tytherington school. We use Bollinbrook and Upton Priory Shops including the Chemist where we are all registered for collecting our prescriptions. Our leisure time and sports activities for us and our children have always been at The Fallibroome Academy sports facilities, Leisure centre and Athletics track. There is no through access road from Bollinbrook to Tytherington and to get from one to the other you have to drive into town and out again. Bollinbrook is separated from Tytherington by a Railway track and The River Bolln making access a challenge especially for the disabled. We would never consider going to the play area in Tytherington (in fact I only just discovered they had one) as we would walk to West Park which was easily accessible when my son was in a wheelchair. West Park, Sainsburys and the Coare Street area also aren't in Tytherington. When I have used the bus it has been on the route that goes through Upton Priory to Fallibroome and into town.
