Bollinbrook area should be in the same ward as Broken Cross for a number of reasons.

The housing along Bollinbrook and Kennedy avenue was established in a similar period and is served by a common west - east road network including Victoria Road which links this whole area with Broken Cross, whereas Bollinbrook is separated from Tytherington, which ward it is currently part of, by the Bollin Valley.

Secondly, primary schools from Whirley (Whirley Road) in the Broken Cross area to Bollinbrook primary are formally linked by catchment to Fallibroome Academy. This gives strong educational and social links from Bollinbrook to Broken Cross and Upton Priory.
