Moving to Middlewich was the biggest mistake we ever made. One big shop in morrison's (overpriced) one petrol station, most expensive in Cheshire and Manchester including Alderley edge...a bus service which can only be described as laughable no taxi rank no train station, lewin st is a drag strip for the boy racers, hgv wagons mounting the kerbs cos the roads aren't wide enough, not enough room for us in the doctors and dentist already an lived there 5 years, but yeah let's stick more fuckin houses in the area. Brilliant idea. You bunch of clowns.
