

BRADFORD

December 2024

NEW ELECTORAL ARRANGEMENTS

Currently there are:

- 90 councillors
- 30 wards
- 3 councillors per ward

747 residents and organisations
helped shape our recommendations

We aim to make sure Bradford
councillors represent a similar
number of electors

From elections in 2026:

- 90 councillors
- 30 wards
- 3 councillors per ward

Currently there are:

- Three wards that are more than 10% away from the average number of electors per ward
- No wards that are more than 30% away from the average

Bradford will move towards:

- One ward being more than 10% away from the average number of electors per ward
- Each councillor representing an average of 4,375 electors
