I wish to register my objection to the proposal for the following reasons

Stainborough parish is a small rural parish of only 350 voters where as dodworth and tankersley area have over 12,000 voters. To merge we would lose our rural identity and be swallowed up by the larger urban ward.

I also feel that both dodworth and tankersley are very urban with large industrial and commercial estates such as fall bank industrial estate. Where has Stainborough and hood green are rural and consist of green belt land with no industrial or commercial business in operation.

Our rural parish needs are very different from the two urban wards, and I can not see how they can be met by merging a small parish with two vast urban wards.

There are no transport links to Dodworth or Tankersley so residents are unable to shop or attend appointments if they are unable to drive. Residents support local businesses and schools in the Penistone ward.

I wish to object to the proposal of barnsley metropolitan borough council and wish to register my objection to move Stainborough parish out of penistone east ward and into the new dodworth ward.
