Related subject: Moving a large part of Birdwell into the Worsbrough ward

I have been a resident of Birdwell for 38 years and don't want to leave the Birdwell community and move to Worsbrough Ward. I don't have any sort of community feel for Worsbrough Ward as my life is centred on Birdwell and its facilities and people. Splitting Birdwell up makes no sense to me as it has been a long term community in its own right. Splitting Birdwell councillors across two wards would not deal sensibly with the entity that Birdwell has been for a long time.
