**Related subject:** Dodworth Ward and Old Town Ward

Residents often mention the divide in Pogmoor and there may rightly be something worth exploring in the Liberal Democrat's proposal to unify Pogmoor as the Pogmoor and Old Town Ward. The dividing line could be anything to the North of Dodworth Road which could be moved into the newly created Pogmoor and Old Town Ward.

Further to this, the new housing development known as MU1 and anticipated to be built between Pogmoor and Higham is anticipated to have 1500 houses within it. This is potentially a larger number of voters than planned (based on 2 voters per household).

I would encourage the Boundary Commission to look again at the Pogmoor area of Barnsley and attempt to unite the area into one distinct ward.
