## Comment text:

Dear Sirs,

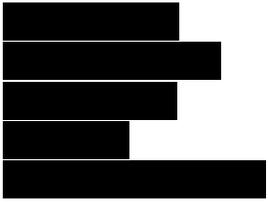

I am aware that there is a proposal to change the Stainborough/Hood Green Parish boundary to a Dodworth, Stainborough and Tankersley Ward.

I do not agree to this proposed change as we are a rural community and have strong connections to the Penistone East Ward which I think needs to be retained, where as Dodworth and Tankersley are classed as urban with Industrial and Commercial sites.

- \* We have no buses that run to either Dodworth or Tankersley - only Penistone.
- \* We have vastly different needs and issues being 2 small villages in a rural setting.
- \* We support the farmers and their land.
- \* We use doctors and dentists in Penistone.
- \* Being only 350 residents it is concerning that any problems that may arise this new Ward will not be listened to by the much larger Parishers.
- \* Overall there is no affinity with either Dodworth or Tankersley.

Therefore I wish to object to the proposal made of taking Stainborough Parish out of the Penistone East Ward and putting it into a new Ward with Dodworth and Tankersley.

Yours faithfully
