**Related subject:** Birdwell

I disagree with the proposal to split Birdwell into Rockingham and Worsbrough Wards.

1. The issues that face Birdwell face all of Birdwell and should be served by 1 set of Councillors. For example planning, road congestion, provision of services.
2. Birdwell Community Centre is part of Birdwell not half of it
3. Residents tend to identify as people of Birdwell and not Worsbrough Dale etc. Community is about how people relate to where they live.
4. It does not make sense in a practical ways nor in how I feel about a sense of community
- 3.
