**Related subject:** Proposed Birdwell in to Worsbrough Ward

Dear sirs,

We strongly object to moving the proposed area of Birdwell in to the Worsbrough Ward.

We're very happy to be part of the Rockingham Ward, and cannot understand why this needs to change.

We are concerned that if the ward changes, this may impact on School places, in addition to not having the support from our independent Cllr in our Ward.

Just to reiterate again, we strongly object to the proposed change.

Kind regards
