Comment text:

I disagree with the boundary changes (proposed from outside of the Bingley area) which will split Bingley in two. Most residents - everyone who lives in Crownest, Priesthorpe, Lady Lane, Gilstead and Eldwick - will lose the ability to elect councillors to represent them on issues affecting the town centre. Parking, licensing, the swimming pool, library, Myrtle Park and the town hall - all councillor responsibility will go to councillors covering Harden and Cullingworth etc. Whilst the above amenities also serve these places, to sever from the town which they most immediately serve is ridiculous.
