Related subject: Bingley, Baildon and Shipley Ward borders

In regards to the proposed Shipley ward changes, I think it's important to remember and respect local identity. On the border of Shipley and Bingley West, there's a natural border along Bradford Old Road from the roundabout by the new Sun Inn apartments up to the junction with Moorhead Lane. The "uphill" side heading toward Sandy Lane (including Cottingley Primary) are very much Bingley whereas Nab Wood is certainly Shipley. The question is surrounding New Brighton but Ludbrook Farm advertise as being in Bingley. The other border in contention with Baildon should be quite natural, with Coach Road being a good divider, south side up to Roberts Park from the junction with Otley Road would be Shipley. The north side up to the Shipley Glen tram beside Salt High School would be Baildon. The school would be Shipley. Shipley's border with Bingley East is good and logical, as is the frizinghall border.
