

Bradford

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

Related subject: Bingley (Priestthorpe)

I am writing to argue against the proposed division of the Bingley ward on the grounds that it is illogical and potentially damaging to the town and the democratic input available to its residents. The proposed changes, splitting the district in two, would cause a division in the local community with no basis in the everyday organisation of the town and potentially lead to residents having no right to make decisions that would affect their daily life and business.
