To whom it may concern

As a resident of [REDACTED] I write to register my objection to splitting Eldwick from Bingley Wards.

The proposal to be included in Baildon Ward, makes no sense whatsoever. I have lived in Eldwick for 7 years and have had the need to visit Baildon Ward zero times. In fact, my relocation was influenced by the logistical convenience of facilities should I ever become less physically able in future.

All required services are provided locally within Eldwick, Gilstead and Bingley whose boundaries flow into each other. Baildon is an entirely separate entity.

Best Regards

[REDACTED]
