Related subject: Renaming The HOMESTEADS Stanford LE Hope

My capacity for objecting to the renaming of the HOMESTEADS is that I have lived in the same house on the HOMESTEADS for 49 Years (nearly 50). I have also paid my all my dues in that time. I Strenuously object to the interference of renaming the HOMESTEADS or any other political interference. Leave it well alone as it is. No doubt the interference is by someone who does not live here. GO ENTIRELY AWAY, LEAVE THE HOMESTEADS NAME AND BOUNDARIES AS IS.....please ,its fine as it is. And lets not have yet another wrong decision that you are famous for.
