**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** West Bletchley

I live on Furzton, not South Furzton, just Furzton because we were the original estate and do not have a prefix.

Some time ago, we were added to West Bletchley ward, we don't have the same issues as them and we never see our Councillors, even when we are having an election.

I would prefer to be in a ward with more in common with our area.
