Milton Keynes

Personal Details:

Name: ████████████

Email: ████████████████

Postcode: ██████

Organisation Name: (Member of the public)

Comment text:

when looking at boundaries it would make sense to use roads. This is how Milton Keynes was planned , each grid square giving a community. There are a lot of new areas to the east and northwest will these be included in your statistics. West Bletchley and Bletchley and Fenny Stratford are 2 very different areas separated by the railway but there is a council seat that crosses this boundary and perhaps this should be separated
