Related subject: Mirfield

I am writing in concern with moving where I live Spring Place Court into the Dewsbury West area we bought this house because of the area and moving the boundaries will effect a lot of things the main one being house prices and you can't just do that to us. Our Mortgage deeds and everything say we live in Mirfield and as far as I'm concerned you can't just change that without proper consultation with all the residents first, it's just not a moral thing to do, and you will be effecting so much about the area we live in, probably forcing a lot of us to sell our beloved homes even though we don't want to.
