**Related subject:** Colne Valley, Golcar and Mirfield.

Firstly, Mirfield should not be messed around due of its importance as a parish and moving some parts of it to a Dewsbury Ward is a unnecessary as those as mention live in the parish area expects to have Kirklees Cllrs from Mirfield Ward (its not like the Holme Valley there it is necessary to split into two).

Secondly, the proposal of having all of Paddock into Golcar is a bad idea as the communities within the proposal are not the same and have different issues. I would have all Paddock in 'Greenhead' but I would relook at the previous proposals to rename some of the Huddersfield wards as for example; Huddersfield South. For Golcar, I would recommend that either Outlane or Nettleton Hill and Scapegoat Hill to join Golcar as those areas have similar issues to Milnsbridge and Golcar than Paddock.
