I have been made aware of the new proposal for the boundaries for Mirfield and Dewsbury West.

I am disgusted that it is been proposed that my street now goes into Dewsbury West.

We bought the house on Spring Place Court on the basis that this was in the Mirfield ward, and the houses were sold on this basis! At a higher amount than they would have been if the postcode was Dewsbury.

Why now is it been proposed that we are moved out of the Mirfield ward? Surely this will effect house costs, schools, doctors etc?

Even the Dewsbury sign doesn't show until after the entrance to the estate so what is the reason for moving the ward?
