**Related subject:** Denton & Westerhope

I live on the North Side of Stamfordham Road in Westerhope Village. Under the proposals the historical village of Westerhope will be split between two wards the village will lose its identity and the village life we presently enjoy under a single ward will be lost. We have seen locally due to the political make up of adjoining wards there is NO cooperation to work together. Splitting the heart of the village between two wards for a small number of residents is a big mistake especially as the present border works. Westerhope is historic name - Newbiggin hall is a new purpose built estate the shopping centre has 5 shops so it is not a major shopping area. I strongly object to the new boundary proposal.
