Related subject: All Wards

Given how many people are not on the electoral register, has any thought been given to possible action by the new Government to automatically enrol people at some date in the near future.

In this case, the review should be postponed until we actually know how many potential electors there are in each ward.

It may well be the case, that areas where more BAME people live, such as Fenham, may well see an increase in potential electors as a result.
