Related subject: Jesmond Vale being removed from Jesmond Wards

I have written earlier about a change to boundaries but appeared to reach a word count?! I wanted to also suggest that instead of using the Coast Road/Jesmond Road (A1058) as the boundary, the Southern boundary of Jesmond should be the area of Jesmond Vale. Roads include: Rosebery Crescent, Rosebery Place, Selborne Gardens, Landsdowne Gardens, Churchill Gardens and all of the roads within these. There are no through roads from this area that reach the proposed Ouseburn/Shieldfield ward which is why they should be included as part of Jesmond instead. Jesmond is a far more accessible area along with the area that we identify as being a part of. The identity of Jesmond Vale IS Jesmond: it is literally our address. We face the same issues and have a very similar demographic (including a student population etc). We use all the services of Jesmond. We are cut off from the proposed ward by natural barriers and road networks (come and visit or look on an aerial map) Please make Jesmond Vale a part of Jesmond.
