The attack on jesmond vale to remove it from jesmond is another attempt by NCC to punish the residents of jesmond .
It's ridiculous to think jesmond vale has any connection to shieldfield .

Nearly Every jesmond vale residents doctors , dentist , chemists etc are in jesmond not heaton or shieldfield.

The lack of consultation by NCC regarding the failed LTN Shows NCC are clearly attempting to punish and isolate the residents of south jesmond for daring to stand up for themselves.. It's another disgraceful attack on the elderly and community life .

To use the road as a barrier is a joke , it was planned and built underground as to not isolate jesmond vale .
