North Ormesby (East Middlesbrough)

1. Stumbled across these proposals by chance, like most in our area didn't know about it.
2. Don't see proposals for North Ormesby
3. We live in one of the most deprived wards in Middlesbrough, what will these proposals do to remedy this?
4. Who gets to choose the revised ward names? Can we residents decide our ward name?
5. How is this being advertised to the General Public
6. What are the costs for these changes?
7. Why aren't ward councilors proactively bringing this to the resident's attention?
8. Can we have face to face consultation meetings in our wards?
9. How is the public's awareness being measured? How many people in North Ormesby are aware of these proposals?
10. Can we reject the proposals or is it Hobson's choice?
