Related subject: Acklam/Stainton

To whom it may concern,

I respectfully wish to lodge my objection to the proposed changes to the council boundaries within Middlesbrough, particularly the alteration of the Acklam/Stainton boundary lines.

I object to this alteration as it would place the area where I live (Acklam) under the ward control of Stainton which is in effect disconnected from the location and they would have no interest in a 'remote' area.

Submitted for consideration.
