To whom it may concern,

As a resident of Sinderby Lane on Grey Towers Village, I am writing to express my preference to remain in the Nunthorpe ward rather than being transferred to the Marton West ward.

I strongly believe that Borrowby Rise and Plantation View should join the rest of Grey Towers Village and be transferred to the Nunthorpe ward rather than the whole estate being transferred to Marton West. I have voted for Nunthorpe councillors and the estate has benefited from the support of these Nunthorpe councillors. If we were to move to Marton West, I would be extremely concerned about being moved out of the catchment area for the school I plan to send my child to. We paid a premium price for a house in Nunthorpe and I strongly believe it should remain in the Nunthorpe ward.
