Newfield Crescent,Middlesbrough is situated in Brookfield and Trimdon ward, it is subject to Village Green status and has been for some 5 years.Should these recommendations come to fruition the village green would change wards and subsequently be affected by this change to the detriment of the Village Green.

In the past this area has been bordered by Saphwood and Bluebell becks,if this arrangement was continued then the present situation would continue.This arrangement would not change the resident numbers.
