**Related subject:** Brookfield and Trimdon

I strongly disagree the boundary line between brookfield and Trimdon to Stainton and Stainsby Hall Farm.

The green space that runs adjacent to Baldoon sands from Gayton Sands all the way down to the A19. This should at least follow the beck line and keep the green areas within the Brookfield and Trimdon ward.

I and my family use these green areas everyday to walk our dog, as do many residents of this area. This is also an area used by many children to play and get the outdoors exercise that they need and deserve.

I feel if this area was to fall under a different ward of people that don't use the area, it would be wrong for them to make decisions regarding it's future use and upkeep.
