Related subject: Mandale Meadow

To whom this may concern,

My wife Elizabeth and I have lived in Minsterley Drive the past 42yrs and have enjoyed the beautiful Mandale Meadow almost daily. At present I feel we have a say in the Meadows future development plans because we are part of the Ayresome Ward and have a councillor who can speak for us at council meetings. If as we have learned recently the Meadow is transferred to the Stainton Ward I feel we will no longer have a right to voice our opinions as the Stainton councillors would not speak for me. Therefore I would like to complain officially at the proposed change of Ward boundaries.
