## Comment text:

**Related subject:** Ellistown West

The proposed change will allow the building of 450 houses that would not occur with the current plan. Therefore I would like the boundary to stay as is and for the Channing Estate to enjoy the view and fields, privacy and access to dark skies that it currently has. With new properties built we will lose our access to stars etc with the increased light levels. The house was purchased to access the relatively dark skies.
