Comment text:

I do NOT agree with the plan to abolish Freshney Ward and split us between Yarborough Ward, West Marsh Ward and the Wolds Ward. The independent councillors - which were voted in by the people of Freshney Ward - have done so much more for the ward than has ever been done before. This is because they are passionate about listening to us, and acting on our needs. Because of that they are well supported by the community of Freshney Ward. Therefore I strongly oppose the plan.
