Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Freshney ward

I have lived in my home for 55 years. I belong several groups and enjoy social interaction. The groups within the ward support each other. Events are organised which include 3 primary schools, churches and community groups. Our local police support officers have been with us for 18 and 17 years. This is my community. I want it to stay
