Currently we are linked with Market Weighton which is a good 20 minute drive away, whereas our local town where the vast majority of residents use regularly.

We can get a bus to Pocklington, we can have jobs in Pocklington, use the supermarkets and sports facilities. This is a rural area and I have no problem with being linked to local communities eg Huggate, Millington, Givendale, Yapham, Meltonby and Barmby Moor etc, but to be linked with areas as far away as Market Weighton, Londesbrough, Shiptonthorpe etc doesn't seem to make sense.
