In previous years we have had confusion on the wards, with a small number residents of North Kingshurst classed as the Smithswood ward, The proposals /map now suggests 90% of Kingshurst Parish residents (Part H on non interactive map) will move to Smithswood ward yet the ward of Kingshurst and Fordbridge moves to capture now only a small percentage of Kingshurst residents in South Kingshurst. I think if this happens then the wards should be renamed Smithswood and Kingshurst and the other ward just Fordbridge,. You will see in attachment that literally the whole of Kingshurst parish is in Smithswood under the new proposals and not ward Kingshurst and Fordbridge, .
