**Related subject:** Sedbergh & Kirkby Lonsdale

Living between Meal bank and Patton Bridge, we are less than 3 miles from the outskirts of Kendal and less than 4 miles to Kendal Town Hall. Sedbergh is 13 miles away and Kirkby Lonsdale 15 miles. As such, all local services, amenities and community facilities we access are Kendal based and, other than very occasional day visits, have no other contact or access to Sedbergh or Kirkby Lonsdale. In this respect we feel that the existing Ward Boundary division does not accurately reflect where we live and the services we access.
