I believe that the existing boundaries of the Kent Estuary ward should be maintained. I live in Arnside. My local supermarket is in Milnthorpe as is the butcher I buy my meat from. My nearest petrol station is in Milnthorpe. I regularly visit the garden centre at Beetham. I attend plays at Beetham's Heron Theatre. For people in Arnside their connection with both Milnthorpe and Beetham is fundamental. Incidentally there is no connection at all to the south across the county border.
