I live in Carr Bank which, along with Storth and Sandside, is in Beetham Parish not Arnside Parish. BUT Carr Bank is not part of Storth or Sandside and definitely not a part of Beetham. Carr Bank looks straight across the moss to Arnside. Every local service I use is in Arnside - shops, post office, village hall, local societies, talks, railway station... Arnside Parish Council even lets us go to its meetings. I would much prefer Carr Bank to be in Arnside Ward and be represented by the people whose services I use.
