

# Westmorland and Furness

## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

I'd love to be involved in the future of our council but what a ridiculous consultation - if you want local people to give information on boundaries then you need to provide more information than lines on a map.... population size just for a start. And why you want to change things. I'd like to be more helpful, but unfortunately I don't have the information to do this

## Attached Documents:
