

# Westmorland and Furness

## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Colton PC

With around 10 other houses we live in the east side of the river Crake in Colton PC. The river defines the boundary with Lowick. In all respects geographically, socially, transport, services we are separated from Colton while entirely integrated with Lowick. In the modern age the watershed (ie the fell between us and Colton) defines the boundary.
