This is an utter disgrace. Our home is part of Marston Green and should be included so. The Cambridge drive, Worcester Walk, Exeter Drive etc should be part of the Arden ward like the rest of the Parish of Bickenhill and Marston Green. The boundary should be aligned with the current border or solihull and Birmingham. We are not part of Kingshurst or Fordbridge. This needs to be across the river at Hatchford Brook. See the attached image which incorporates the Merstone ward of Marston Green into the Arden ward and not Kingshurst and Fordbridge.
