

# Wirral

## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

Stop wasting time on boundary issues. There are already too many councillors on the Wirral who do nothing for the public. There was no proper consultation on the 20 mph roads, they're now trying to push through extortionate resident parking permits. Leave the boundaries as they are, stop us having to pay for the city of liveypool in our council tax, get rid of the mayor and stop the council wasting our money!
