Related subject: The move of Beech Farm Drive from Tytherington to Macclesfield Central

I live on Beech Farm Drive, and am currently in Tytherington. I am so disappointed at the proposed move to Macclesfield Central. We have a thriving community in Tytherington and are represented by two Independent Councillors who I voted for and who do an excellent job for our area based on its needs and not on party politics. I do not wish to be represented by Labour Councillors.

We use the take away at Tytherington, we vote at the school in Tytherington and we use the chemist, post office, Nisa Local, dry cleaners and when we had pets we used the vets there as well, all within a 10 minute walk of home. Our councillors meet us there at weekends to talk to us and get involved in the local community and I do not want to lose that.

How can Beech Farm Drive be in Macclesfield Central when Tytherington High School is within a few yards of our front door?

If there is a need to balance voters and councillors, it would make more sense to make the dividing line south of the River Bollin for the sake of the few residents that are on Beech Farm Drive.

Thank you for listening and I hope you will reconsider.
